Welcome to an Exquisite Place

In the heart of charming downtown Stratford, Bijou at the Church brings historic beauty, warm hospitality and your love story together. Originally built as Christ's Church in 1874, this historic Stratford landmark now sets the scene for beautiful weddings and special events. Stained glass, soaring timber beams and timeless charm create a memorable setting for your celebration.

Room Capacity
5,300 Square feet
150 guests

The Great Room

With soaring timber beams, historic stained glass and room for up to 150 guests, the main ceremony and dining room offers a romantic setting for your celebration.

Exchange vows surrounded by your favourite people, then slip away for photographs while your guests enjoy cocktail hour on the Garden Terrace or in the Belfry Bar. Behind the scenes, the sanctuary is thoughtfully transformed for your reception, ready to welcome everyone back for dinner, heartfelt toasts and an evening on the dance floor.

With a grand bar, baby grand piano and stage for live entertainment, the sanctuary is made for a celebration that feels like you. From cocktails to your first dance, everything comes together in one beautiful setting, giving you more time to enjoy it with your guests.

The main level is wheelchair-accessible, with an accessible entrance through the door off our on-site parking lot and an accessible washroom.

Garden Terrace

Tucked just off the front steps of Bijou at the Church, our Garden Terrace is an inviting spot to sip, mingle and celebrate. The charm of quiet Brunswick Street offers a relaxed outdoor setting, right in the heart of Stratford.

Perfect for cocktail hour, with a satellite bar on warm summer days, the terrace remains available until 11 PM so your guests can enjoy fresh air and conversation throughout the evening.

The Belfry

Located upstairs, the Belfry Bar offers a welcoming space, a cozy fireplace and Juliet balcony overlooking the Main Sanctuary.

Its intimate lounge atmosphere makes it a lovely place to gather with your wedding party and get ready before the celebration begins.

For cooler-weather weddings, the Belfry welcomes your guests for drinks and conversation while the sanctuary is transformed for dinner. It also offers an indoor alternative when the weather has other plans, keeping everyone together and the celebration flowing.

The Belfry Bar serves wine and beer only and is accessible by stairs, with no elevator access.
